PROFILE

Cafe and operations manager with 3+ years across hospitality, quick-commerce retail, and client-facing operations. Hands-on with food-safety discipline, inventory control, staff training, and audit-ready record keeping — currently running daily cafe operations for Q-MIN under Roots Corporation Limited.

EXPERIENCE

Cafe Manager — Q-MIN, Roots Corporation Limited

CURRENT

06.2026 – Present

Bangalore, Karnataka

Running daily cafe operations for Q-MIN under Roots Corporation — supervising service periods, safeguarding food safety, and keeping records audit-ready.

- Supervised baristas and cashiers during service periods, keeping queues moving and quality consistent.
- Supported training for new team members on company procedures and service standards.
- Maintained food-safety standards and sanitation routines.
- Worked with vendors on deliveries and product availability.
- Kept records, reports, and logs current for daily operations.

Cafe ICO — Zepto — Geddit Convenience Private Limited

06.2024 – 06.2026

Bangalore, KA

Operated the Cafe ICO format inside Zepto's quick-commerce ecosystem — inventory discipline, hygiene, and machine safety on every shift.

- Improved product shelf life through careful rotation and inventory stocking practices.
- Monitored inventory levels and reported restocking needs to management promptly.
- Trained new employees on safe machinery operation procedures.
- Organized workspace at shift end to support next-day production prep.

Recovery Executive — SR9 Association

04.2024 – 05.2024

Bangalore, KA

Managed recovery of overdue dues with accurate records and a respectful, process-first approach.

- Collected dues from customers while preserving relationships.
- Kept accurate records of collection activity and updated customer files.

Receptionist — Alcott Hotels and Resorts

06.2023 – 2024

Karnataka, India

First point of contact for guests — front-desk operations, cash accuracy, and friendly issue resolution.

- Handled cash and cash equivalents with care and accuracy.
- Maintained an organized filing system for confidential client records.
- Supported customer satisfaction by resolving issues with friendly, knowledgeable service.
